

# CANVAS VENEZIA

380g - Satin 35% Cotton / 65% Polyester

## DESCRIPTION

Our Venezia is a polyester-cotton hybrid. The coating is designed for printing with solvents, eco-solvent inks, UV and latex inks. and supports high ink loads due to fast-drying properties. Once fully dried, the prints feature strong colour intensity, longevity and robustness.

## PROPERTIES

The Venezia is composed of 35% cotton and 65% Polyester and is compatible with all common solvents and eco-solvent inks, as well as UV and latex. This canvas is water resistant and offers a high flexibility and protection against cracking. The Venezia has a high light fastness, and the colours do not bleed, even when using high ink loads.

## APPLICATIONS

It is perfectly suited for art reproductions, photo and photo art, framed reproductions and other decorative uses.

## ROLL WIDTH
