

CANVAS PARMA

380g - Glossy 65% Cotton/ 35% Polyester

DESCRIPTION

Our Parma is a cotton - polyester hybrid. The coating is glossy and water resistant. It is suitable for printing with water-based ink and enables a high ink loads with fast drying. After completely drying, the prints impress with their high colour brilliance, durability and insensitivity.

PROPERTIES

The Parma consists of 65% cotton and 35% polyester and can be printed with all common dye and pigment inks. This canvas is water resistant and offers a high flexibility and protection against cracking. When printing with pigmented inks, the Parma has high light fastness.

APPLICATIONS

It is perfectly suited for fine art reproductions, photo and photo art, framed reproductions and other indoor decoration and advertising
