

CANVAS TURIN

280g - Matte 100% Polyester

DESCRIPTION

Our Turin is made of 100% polyester fibres. The coating is suitable for printing with water-based ink and can take high volumes of ink due to its fast-drying properties. Once fully dried, the prints feature strong colour intensity, longevity and robustness.

PROPERTIES

Turin is made of 100% polyester and is suitable for printing with all popular pigments and dyes. This canvas is water resistant and offers a high flexibility and protection against cracking. When printing with pigmented inks, Turin has high light fastness. It stretches beautifully and is very easy to work with.

APPLICATIONS

It is perfectly suited to art reproductions, photo and photo art, framed reproductions and decorative indoor advertising.
